

Start an AI Kitchen on your campus

AI experimentation. Everyone's invited.

THE STARTER RECIPE

Welcome every field

Students, faculty and staff.
No coding prerequisite.

Show, then try

One real AI workflow.
One small hands-on exercise.

Make connections

Student hosts, guests from industry,
and guidance for ongoing projects.

There's no such thing as too many cooks
in the AI Kitchen.

Bring it to your campus

Scan for a sample session plan,
hosting tips and ways to adapt it.
